North Webster Church of God	Design Outreach - Life Pump	Give	Life Pump	Design Outreach desires to share the love of God by developing sustainable technologies that help alleviate global poverty. The poor of the world have big dreams—what they lack is access and opportunity. By developing and providing innovative solutions for partners combating global poverty, we can help unlock the doors that lead to long-term community development and self-sufficiency. We are seeking champions to connect with us, inspire their local community, and empower a village by providing a safe and reliable water source. Fundraising champions will work to raise \$10,000 for a LifePump, to be installed in a rural community in which we have implementing partners in either Africa or Haiti. Each LifePump will provide clean water for a village of 300 to 400 people. Your efforts will directly affect the lives of these people, giving them health, hope, opportunity, and empowerment.
				Through our partnership with Design Outreach, NWCOG was able to fully fund the purchase and installation of a Life Pump in Haiti!

				<p>Fellowship Missions is a homeless shelter in Warsaw, IN meeting the needs of people in our community (Kosciusko County) through sharing the love and hope of Jesus Christ. It is their heart's desire to give individuals a safe and loving place and to help them achieve a better way for themselves and their families. The organization is approximately 6 years old and is a fully functional homeless shelter with 38 beds. There is a men's side and a women/children's side to the facility. The organization serves 3 meals per day, 7 days per week. Residents can enter the facility, if there is space, for 14 days on an emergency basis but if they want to stay longer they must enter their Catalyst program. The Catalyst program can last up to 2 years if residents continue to follow the guidelines and make progress. During this program residents are paired with a mentor and receive training, counseling, and resources on how to become self-sufficient. At this time, the greatest needs for Fellowship Missions is for volunteers to serve meals, prep meals, mentor residents, and expand their administrative staff. Eric suggested that one of their long-term plans would be to provide transitional housing for residents that would serve as a transition between the shelter and becoming a fully functioning self-sustaining individual.</p>
